Call For Resolutions 2017

DWCF clubs are welcomed and encouraged to submit resolutions for consideration by this year’s Resolutions Committee. Here are the guidelines:

1. The proposed resolution must be original in scope. Revising or adding language to an existing resolution is not acceptable. Please refer to the website dwcf.org/dwcf-platform for a list of DWCF’s recent resolutions.

2. The submission must be short and to the point, addressing only one concern. The basis of the resolution should contain no more than three statements, each in a paragraph beginning with *Whereas*. The concluding statement is the recommendation requiring an action and begins with *Therefore be it resolved.*

3. Only local clubs may submit resolutions, and each club is limited to three submissions. The proposed resolution must be accompanied by a cover letter from the club president and the author of the resolution.

4. Resolutions must relate to the interests and principles of the DWCF. Submissions must be written to reflect State adoption; those pertaining only to local interests will not be considered.

5. Any resolution relating to Congress, the State Legislature or a legal issue must be accompanied by a copy of such bill or legal document.

6. Submissions must be received by Resolutions Chair Lanie Frame at twframe@aol.com by June 30, 2017. Club representatives must be prepared to explain points if requested to do so by the Resolutions Committee.

7. Proposals accepted by the Resolution Committee and approved by the board will be shared with local clubs and presented at the Annual Convention for consideration by the delegation.

The committee looks forward to receiving this year’s submissions.
